

September is
PROSTATE CANCER AWARENESS MONTH

**INVASION OF THE
PROSTATE SNATCHERS**

*No More Unnecessary Biopsies,
Radical Treatment or Loss of Sexual Potency*

By Ralph H. Blum and Mark Scholz, MD

*An indispensable guide to new prostate cancer therapy
that will forever change the way the disease is treated.*

“A **provocative and frank** look at the bewildering world of prostate cancer... Prostate cancer is a dark and mysterious country, and Mr. Blum and Dr. Scholz are **good, levelheaded guides** through these thickets.”

—Dana Jennings, *New York Times*

“Prostate cancer...presents a perfect opportunity to use mainstream and alternative medicine together. In their excellent book, authors Scholz and Blum give a **compelling demonstration of this integrative approach to healing.**”

—Andrew Weil, MD

“**Essential reading** for any man newly diagnosed with prostate cancer.”

—Dean Ornish, MD

“A masterpiece of eye-opening science that promises to enhance the lives of thousands of men diagnosed with prostate cancer every year. **I give it my highest recommendation.**”

—Christiane Northrup, MD

“A **must read** for anyone who wants to get a glimpse of what the practice of future medicine needs to be.”

—T. Colin Campbell, PhD
