

Brainy women. Broken hearts. Unexpected strategies...

Couple Mechanics by Nelly Alard

“A keen look at the work of love at that point — tough for everyone — when passion must be replaced by will.”

—*The Economist*

“A darkly comic psychological thriller ... the sexual accounting is masterly.”

—*Times Literary Supplement*

“This novel packs a surprising emotional wallop, raising questions about the natures of passion and marriage within the context of early-21st-century French politics.”

—*Kirkus Reviews*

Willful Disregard by Lena Andersson

“*Willful Disregard* is a story of the heart written with bracing intellectual rigor. It is a stunner, pure and simple.”

—Alice Sebold, best-selling author of *The Lovely Bones*

“Women fall for the wrong guy even in very nice places like Sweden... Andersson does a masterly job of reeling in the reader. Added bonus: The novel comes with long passages of brainy debate that you can memorize and use to impress friends at parties.”

—*New York Times Book Review*

The Other Woman by Therese Bohman

“This captivating, character-driven tell-all provides the reader with a unique insight, from what the other woman wants out of the affair to how she justifies it to herself.”

—*New York Daily News*

“In brilliant asides, the narrator questions her own loyalty toward women, speaks frankly about her sexual aura, considers the ease with which men survive, and shares the rules to being a proper mistress — no lipstick, no perfume, and never adjust the passenger seat.”

—*Publishers Weekly* (starred review)
